12/7/04 USCIB Env Committee meeting

I BICE/BCSD – trying to create one new combo organization/merger has begun new org to be running by Jan 1995
World Business Council for Sustainable Development – based Geneva about 125 members
Policy org. no operational projects
Issues – climate change / I&E / Biodiversity
Bjorn Stigson (Chairman) on staff
BICE – as a result closes its Paris shop
were/are we a member of BICE or BCSD?

II Climate change – (see attach: I A
USCIB – position papers – 2 key issues
1) procedural issues

III Biodiversity – UNEP gait is still not ratified
IV 2 (see attached) 1) possible protocol on biosafety
2) Sharing of benefits 3) establishment of clearinghouse for material
→ These 3 issues are important to business re: biodiversity
→ draft med-term plan for Biodiversity Treaty

IV Basel – Hazardous Waste – USCIB sending letter
see draft USCIB letter to written –
instead of arguing directly into Basel Convention
USCIB are proposing to interpret ban or to OECD approach [Red/Green/Amber] which will offer a way out for those who will eventually realize that this all means.
US Action plan re: Basel has not been made public although State is in charge (instead of EPA)
If ban comes into convention only trade allowed will be NON OECD → NON OECD (so, why do we need convention)
Off to attend waste minimization workshop looking for people & presenters.

20463179655

→ TB - "Holistic Risk Assessment"

V Environmental Liability

① 2 papers (JTC) for our input by mid-Feb.
(not open to revision)
2nd draft JTC paper to be out.

② TOR out for lobbying in US.
Coalition list - being done.
(can retroactive liability be sunk
if we achieve a business consensus
" " " correction of clean up standards
4 open pmts from wkg group meeting US Basel GATT illegal

VI (see paper IV)
USCIB asking for comments to Mr Morris. Deadline Jan. 16th

→ 5 countries in Europe have adopted Eco-tax.
2 action items
Deadline January 6: to Nrine w/ comments
→ T&E Paper Envir. labelling
position paper for review
Done to design out trade implications of eco-labelling

VII NAFTA (see continuous paper)
program outline to us by mid-Jan.
(Spirit) We should involve LA in safety issues
conservation of resource programs, emergency planning, training
transboundary air/water issues & whole will join NAFTA

VIII presentations IIST
? MB what is Fox involvement
Retirees # from EPA
(Food Safety & Risk Assessment
Hot Envir. issues
Stephen Nolan - IARC (work w/)

20463179 66

Presentation – BSDFR: (Clearinces for the future)
D.C. NGO agenda's focus (former staff)
→ Regulatory reform & political issues: Risk assessment, mandates etc.)
Groups are trying to reinvent themselves – taking $ cuts
Focus: are tightening (i.e. EDF successful due to focus)

Def of sustainable development is wealth creation in practice vs. ideal of SD
IV China & ENR comment
1st USCIB working group meeting
Contact list
Issue – code of conduct could be possible (Equator Principles)
ask Jaime for: International Criminal code – possible (Currently deals w/ illegal drugs, but could be expanded to)
next meeting (last week in Feb)
V ICC charter – USCIB comments (See handout XX)
ICC is trying to put together Envir. management kits (See handout VI-2.)
{Train trainers kit} {one center in Asia as a core for launch of the kits}
Sustainable consumption (See attach. IV-5 ale)
ISO 14000 = EMS
Joe Cascio – point person in Commerce (See handout V.1.) overview of current situation. The ICC is becoming more involved as industry coordinator.
→ Dec 23rd Health & safety issue has creeped in at meeting ANSI put it forward CEN – possible reco. of 14000
